Join the cause and tell your state representative to support Right to Repair. Tell them you believe repair should be fair, affordable, and accessible. It's time to speak out for your right to repair. We have a chance to guarantee our right to repair electronic equipment—like smartphones, computers, and even farm equipment. This is a once-in-a-generation chance to protect local repair jobs—the corner mom-and-pop repair shops that keep getting squeezed out by manufacturers. Stand up for your right to repair!
